## ATHLETICS READY FOR CHALLENGE OF 1980'S

To continue to answer the needs and interests of the student body in the 1980's, the Department of Physical Education and Athletics has realigned its personnel and administrative responsibilities. The department remains under the dynamic leadership of Dr. Edmund F. Enos. His record of accomplishment as an Athletic Director and academician for over fourteen years has brought international recognition to Concordia. Under Dr. Enos' direction, a progressive internal restructuring of the department has been implemented, which will feature decentralization. The main aims of the plan are to expedite the decision making process and provide students with direct line communication with the program leaders.

Assistant Athletic Director, Doug Daigneault will be responsible to Dr. Enos for the women's intercollegiate and intramural programs, planning and development, alumni relations, the administration of the football and men's basketball programs. In addition, he will continue to coach the men's basketball team.

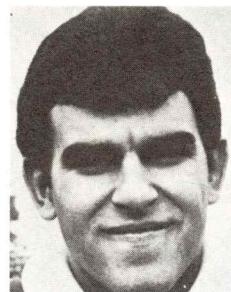

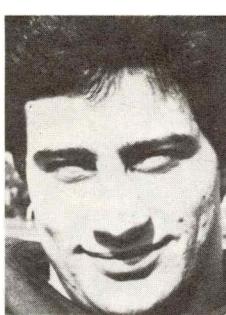

George Short, in capacity as an Assistant Athletic Director will oversee for Dr. Enos, department publicity, promotions, the men's minor sport programs, game presentations, special events and new programs.

Paul Arensault during the last six years, served as a lecturer in the Department of Bio-Physical Education, in addition to his Athletic Department duties. With the commencement of the 1979-80 term, he will be working exclusively for athletics. As an Assistant Director Mr. Arsenault will be responsible to Dr. Enos for department finances, the training and rehabilitation area, facilities and intramurals. He will also continue to coach the men's hockey team.

## OUTLOOK

The 1979 Edition of the Concordia Stinger Football team will feature many new faces in an already youthful line-up. With only seven third year veterans on the team, Coach "Skip" Rochette continues with his rebuilding program started last year. As Rochette has stated, "We are in the second phase of a three-phase rebuilding program. The first phase was to re-establish a football experience. The second phase is to restructure the base of the team around local talent. The third stage will be to infiltrate this good atmosphere and good base with top out-of-town players who will not only give the team quality, but a lot of character."

The first phase being complete, it has to be considered a success. Even though the 1978 season record was 0-6, the team seemed to hold together as if it knew something good was happening.

The second phase seems also to have been successful. The addition of several outstanding local players will bolster the Concordia line-up. Heading the list is Frank Pileggi, a 5'10" - 200 lb. fullback out of Vanier College, who was voted as the top CEGEP player in the Province. He will be joined by 8 teammates from the Canadian Junior College Championship Team, including linebackers Ross Reeves (5'10" - 215 lbs), Bob Carroll (5'11" - 215 lbs.), and John Cristofaro (6' - 215 lbs), as well as offensive tackle Bob Cuggy.

The local Juvenile League has also produced some top Stinger prospects including the league's top player in 1977, Gerard Prudhomme of the Laval Scorpions. Joining Prudhomme are Laval teammates Gary Adamo, Gino Carbone and George Decubellis; John Adams and J.B. Wiley from the Lachine Lakers; and Dennis Delaney and Alex Lisi from the N.D.G. Maple Leafs.

Football fever is catching at Concordia, as is demonstrated by the return of former running backs, Mario Spina and Richard Carbone, adding depth to the 1979 Stinger line-up. Last year's backfield remains intact, with the return of leading ground gainer John McArthur, fullback Nick Carasoulis and wide receivers Earl Smith and Chris Jordan. Other offensive veterans include tackle Mike Taylor, guards Bill Kurceba and Alex Glowacki, and center Mark DeNobile. The defensive team will also include a number of returning veterans, including linemen John Hoffman and Jacques Ouimet, linebackers Gord Bemis and Mike Sheahan, and defensive backs John Corey and Roy Trevisan.

The term "Veterans" has to be used loosely as the experience of the team can easily be shown in that there are four second year Captains. Leading the Stingers and expected to play key roles in the team's destiny are: wide-receiver-punter Walter Dalla Riva, defensive back Brian Humes, tight end Angelo Mosca and defensive back John Outridge.

Look to the Stingers to have a young, exciting, hard hitting team in 1979. With the return of experienced quarterbacks Ed Babin and Walter Ferrero, the team will provide local fans with an aggressive, exciting style of play with an optimistic offense. There is a great deal of enthusiasm in the Concordia camp, with 90 players expected to be vying for the positions on the team. To sum up Coach Rochette's words, "the Stingers are working at it, and it won't be long before they get it."

## T I N G E R

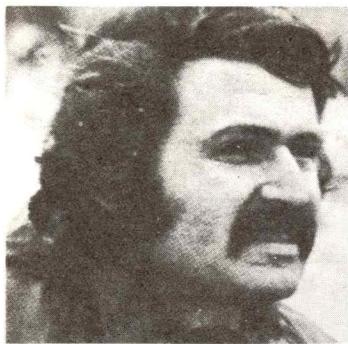

The Concordia University Varsity Soccer team finds itself in a most unusual position this fall in the Quebec University Athletic Association, that of an underdog. Harry Hus, whose teams have gone undefeated since the inception of the Q.U.A.A. in 1971, received a rude shock at the hands of the McGill Redmen this past season. It was the Redmen's turn to go through the league with an unblemished record and represent Quebec in the C.I.A.U. Nationals. The disappointed Stingers ended up in third place behind the Laval Rouge et Or.

However, Concordia received a measure of revenge when they were selected as the host school for the Nationals and promptly defeated the Redmen 2-1 in the opening round of the championships. A loss to Manitoba in the semi-finals ended the Stingers title hopes, and a defeat in the consolation contest with McGill ended the season for the booters.

Thus, Hus and his players must now seek to regain the league championship and earn yet another appearance at the C.I.A.U. Nationals. Their task is a difficult one, as they must beat out both the defending champion Redmen, as well as the always tough Rouge et Or. Coach Hus, the eternal optimist, feels Concordia's chances to win the league championship are good.

"We have some excellent players returning from last year's team," Hus commented prior to the 1979 season. "Sure, we had a lot of problems last year but we proved ourselves in the Nationals. Concordia has always had one of the top soccer programs in the country, and we will be ready for the league opener at Bishop's on September 22nd."

The returning players that earned special praise from coach Hus were forward Joe Dakkak and George Bselis. Both players will be in British Columbia in August to try out for the Canadian National team that will compete in the World Student Games in early September.

Harry Hus

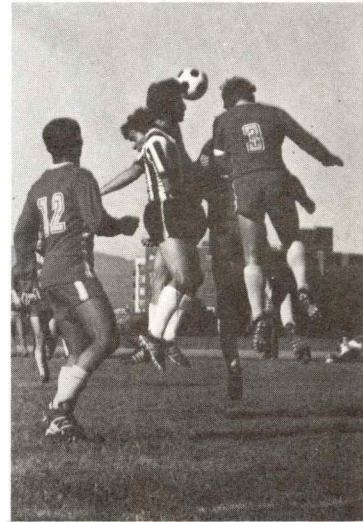

**HARRY HUS ... COACH ...** Harry has amassed an outstanding coaching record in the eight years he has been head coach at Concordia/Loyola. Harry's overall record includes seven consecutive league titles and two National Championships. Harry started his coaching career at Lachine High School and spent several seasons as junior varsity coach at Loyola College. He took over the reins of the varsity club in 1971. Hus' accomplishments, however, have not been restricted to the coaching field. Harry received the "Athlete of the Year" award in 1964, when he starred for the basketball and soccer teams. And Harry has also established himself as one of Canada's top basketball referees, representing the country in several international tournaments.

# There'll never be another Vice President like Richard.

Never.

The President made that promise to himself last Thursday afternoon, after Richard blew an important new-business presentation.

Richard isn't incompetent. The villain is his lunches, or rather the too-many drinks he often has at lunch. Come afternoon, he's just not as sharp as he was in the morning.

Richard is playing dice with his health. His old-fashioned business style is also sabotaging

his career. Today, with competition so rough and stakes so high, even the most generous company can't be patient for long with an employee whose effectiveness ends at noon.

If you're a friend, do Richard a favour by reminding him of the good sense of moderation.

You can bet the man eyeing his job won't help him.

This past season the youthful Singers once again dominated the Quebec Conference, compiling an impressive 23 wins and only 2 losses against Quebec College Teams.

The Stingers, with a surprising number of newcomers (13) in their lineup, were led by Captain and All-Canadian defenseman, Michel Blais (16-37-52), and veteran forwards Yvon Disotel (32-36-68), Albert Difazio (23-36-64) and Kim Elliott (23-35-58). Rookies making their mark included Verdun's Wayne Singleton (21-27-48), former Toronto Marlie, Doug Feasby (19-22-41) and Oshawa's Steve Young (20-18-38). Winger Kevin Sands (13-22-35) also was impressive after being called up from the Junior Varsity at Christmas.

Overall the Stingers were 28-8-3 losing in the National finals to No. 1 ranked University of Alberta, but looking impressive in their final game defeating The Great Plains Champion, Regina 8-3.

## GRADUATION LOSSES

The Stingers biggest loss will be All-Canadian and team leader Michel Blais. Other losses include McGill transfer goaltender, Al Smith; St. Mary's transfer Gerry Applebee; Steve Gibson, Bill Doherty and possibly defenseman, Mark Dichter and goaltender, Gary Fecteau. The Coaches are hoping that Dichter and Fecteau return for Graduate Studies as both players were instrumental in the team's success during 78/79.

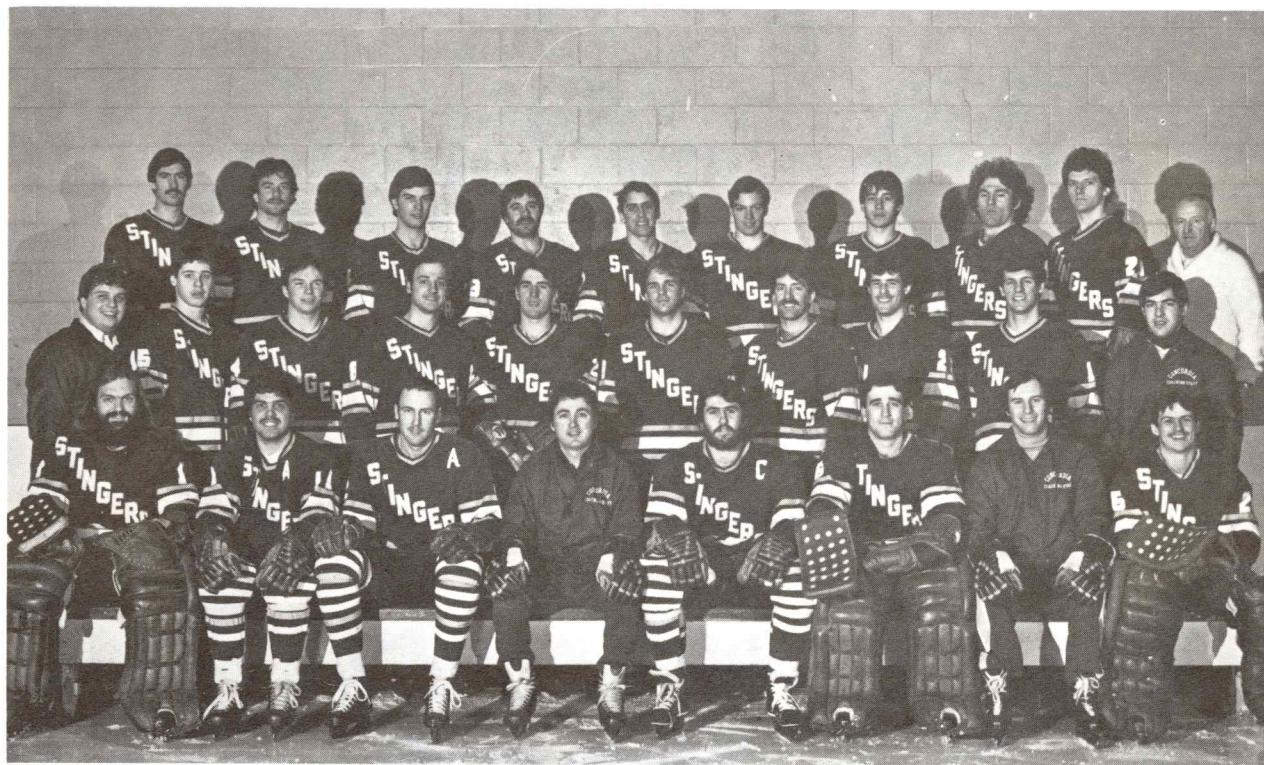

## RETURNING LETTERMEN (17)

The Stingers have a strong nucleus returning, possibly the best since the strong 75/76 team. Top players are centres Doug Feasby, Kim Elliott, Yvon Disotel and Wayne Singleton. Wingers back include Albert Difazio, Steve Young, Mark Fiorentino, Raoul Boudreau, Chris Brinster and Kevin Sands. Returning defensemen are Brendan Lowe, Kevin O'Neill, George Tamas, Phil Smyth and Mike Elwood. Goaltenders are Doug McCormick and Doug Dragasevich.

## NEWCOMERS

Best prospects to challenge for starting varsity positions will be All-Star defenseman, Doug Irwin from the Royal York Royals of the OHA Provincial Jr. League; Napean Raiders defenseman, Mark Hanneman; 6'1" Arnprior Packers goaltender, Scott McEwan; Thunder Bay Juniors leading scorer, John Sliskovic; 6' - 193 lb. centre Kelly Kavic from Maxville, Ontario and Hawksbury Hawks Captain and high scorer, Gilles Hebert.

# STINGER

The 1978-79 basketball season was one of excitement and frustration for the young Concordia Stingers. The improved calibre of play in the Q.U.A.A. particularly McGill and Bishop's, along with a great non-conference schedule, made every appearance on the hardwood a serious challenge for the Stingers.

The 1978-79 team started off in impressive fashion with victories over a star-studded Alumni team, Ottawa University and Carleton University. The cagers suffered their first defeat at the hands of the Acadia Axemen and National Champions, St. Mary's Huskies. The first half of non-conference play ended with the stingers winning seven out of the next ten ball games, including an upset over nationally ranked (4th) Windsor University.

The play of newcomers Walter Harrigan and Lloyd Pullen along with the improvement of Keith Coffin, Joe Maguire, Harley Lawrence, Simeon Mars and Leon Bynoe provided the Stingers with the type of leadership and desire that would once again put Concordia Basketball back in the national limelight.

The second half of the schedule began on a discouraging note with a five point loss to the Bishop's Gaiters and a two point loss to Clarkson's Golden Knights. Big wins over McGill, Trois Rivieres, Laval and Bishop's set the stage for the League Championship final game with McGill. A desperation shot at the buzzer ended any hopes the young Stingers had for league honors. Four days later in a sudden death playoff, Bishop's repeated the scenario with a one-point victory. And thus Doug Daigneault's talented Stingers have to wait another year with the promise that the 1979-80 script would have a different ending.

## HEAD COACH DOUG DAIGNEAULT

"We found that many of last year's teams thrived on exploiting the opponent's inexperienced players. While this was frustrating for some of our youngsters, overall we were pleased with what we have labeled "Concordia's Youth Movement". It's encouraging to see some of our younger players improve through daily workouts. We could have easily won five or six more ball games, including the last McGill and Bishop's games. Our efforts are always geared for recruiting, especially the Montreal area. We're selective — we want good athletes, outstanding young men to wear the Maroon, Gold and White."

The Concordia Stingers will once again face one of the most challenging schedules in Canada. They will compete in several tournaments across the country, including the McGill Tourney, the Carleton Invitational, the Acadia Invitational and the Guelph Invitational.

For the third consecutive year, the Stingers will open the season against the Alumni team (November 3rd), featuring five former All-Canadians-Mike Moore, Tom Brethel of Sir George and Ron Puskarich, John Erlis and Jim Akin of Loyola/Concordia fame. Concordia opens the intercollegiate home season with a contest against Carleton University (November 2nd). Other home exhibitions include University of Maine (November 17th), Bridgewater State College (November 24th) and St. Joseph's College (January 26th).

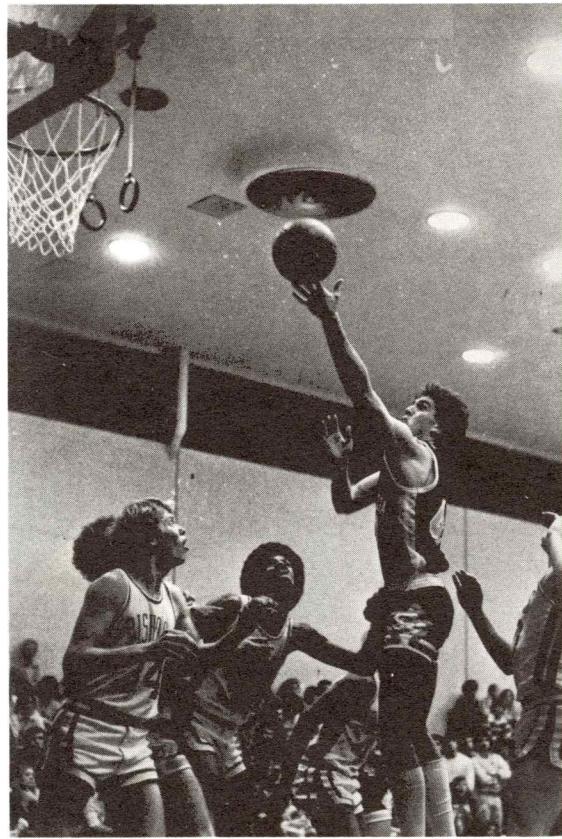

However, the highlight of our home season is the Concordia Pepsi Centennial Tournament. The 14th Edition will feature the host Stingers and three strong Ontario squads, the Ottawa Gee-Gees, the McMaster Marauders and the Laurentian Voyageurs. Action begins Friday, December 7th with games at 7 p.m. and 9 p.m. and continues Saturday afternoon with the Championship game slated for 3 p.m.

The Women's Athletic program at Concordia University has steadily grown since the merger of Loyola and Concordia 1974. Under the guidance of Pat Boland and Jane Tanner, soccer and field hockey were added to the list of varsity sports and the area of recreational and instructional intramurals was revamped to allow greater mass participation in more varied programs.

1978-79 was a successful year for the Concordia females. The volleyball squad won the Quebec Open Championship and finished third in the Canadian Nationals. The basketball, hockey and soccer teams all finished second in their leagues with winning records. And a record number participated in fitness, jazz ballet, recreational badminton and volleyball.

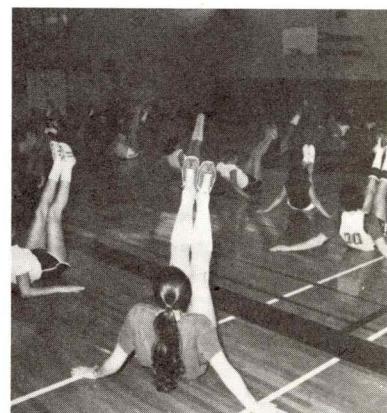

There are over 30 different programs for women to participate in on either the Sir George or Loyola Campus. They range in scope and intensity from competitive varsity and intramural sports to archery, a beginners class in Jazz Ballet, or just a free skating period in the rink. **BECOME PART OF CONCORDIA'S WOMEN'S PROGRAM**, participate in one of the activities or cheer on one of our Varsity teams. Give it a try — you'll enjoy it.

The Concordia Women's Invitational Basketball Classic has been called the finest in Canada, and aptly so. Since Pat Boland first came to Loyola in 1971, the Tournament has increased in quantity, quality and prestige. The 1979 Classic slated for November 29th, 30th and December 1st, will have an eight-team, single elimination format. Included in this year's field are four-time Canadian National Champions Laurentian Vees, as well as four nationally ranked teams, Bishop's Gaiterettes, the U.N.B. Red Bloomers, Guelph Gryphons and Dalhousie Tigerettes. Add the powerful Southern Connecticut Owls, and the host Stingers and you have an impressive list. Come out and enjoy women's basketball at its finest.

## STINGER FIELD HOCKEY

**Women's Field Hockey** will be entering its second season as a varsity sport, under the direction of coach, Mo Godbout. Last season the Stingers participated in the Montreal C.E.G.E.P. Intermediate Field Hockey League. While Concordia could only manage a fourth place finish in the five team circuit, coach Godbout was pleased with the team's progress.

"Considering it was our first year, the season has to be considered successful," Godbout stated. "This coming year we will be more organized and have better practice times."

"The biggest plus for next year will be the returning nucleus" Godbout added. "Sandi Chinn (the team's M.V.P.), Sandy Mosel (Most Improved Player), Julie Healy (Female Freshman Athlete of the Year) and Joann Bourque should provide us with the experience we lacked last year."

Healy was the team's top scorer with 3 goals while Sandy Mosel added two in the seven game league schedule.

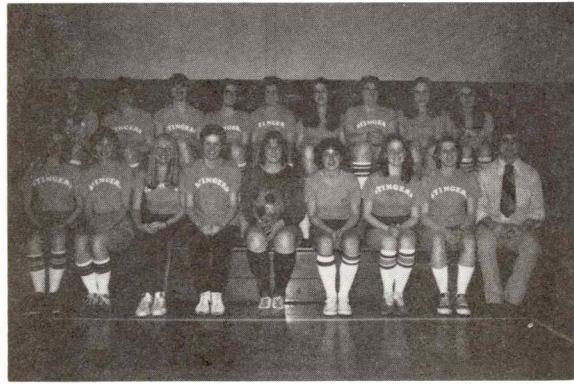

Other returning players include Laurie McKeown, Diana Shannon, the Prince sisters (Barb, Nancy and Laura), Debbie Paterson, Trish Irwin and Nancy Greisbach.

Although coach Godbout is pleased with the quantity and quality of returning players, she is on the lookout for **NEWCOMERS**. Anyone who is interested in trying out, should contact the Athletic Department 482-0320, Ext. 739.

## STINGER SOCCER

1979 Women's Soccer Team

**The Women's Soccer Team** completed its second season in an impressive fashion, finishing second in the Montreal Women's Soccer League. The women kickers, coached by Mark Pike, steadily improved throughout the season. And despite the fact that several players will be lost this year through graduation, the Stingers hope to be stronger in 1979. Gyorgyi Kiefer, Lindsay Harvey, Suzanne Doherty, Denise Bienvenue and Sue Harford are expected to be the mainstay of this year's squad.

The soccer squad will play a 10-15 game schedule commencing in the third week of September. Women's coordinator, Mike Hickey believes that as women's soccer continues to grow in Montreal, more CEGEPS and Universities will implement soccer as an intercollegiate sport. The Stingers will play several exhibition games this fall against John Abbott and hopefully will be part of a University-CEGEP Soccer League within a few years.

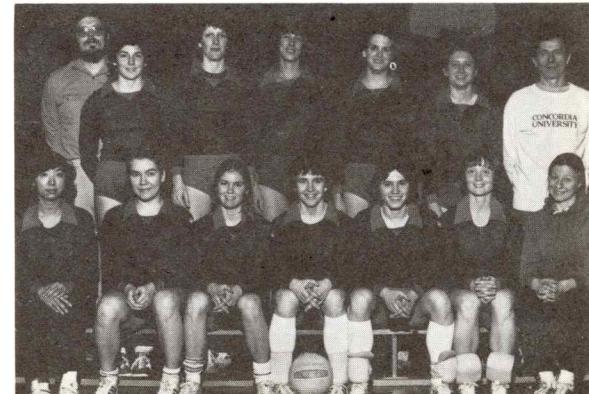

Practice begins September 11th and we extend a hearty welcome to anyone interested in joining the team. Please contact the Athletic Department 482-0320, Ext. 739.

## STINGER VOLLEYBALL

**The Concordia Volleyball team** is coming off its finest season as they captured the Quebec Senior Women's Title and finished third in the Canadian National Championships. Add to this a successful tour of the Scandinavian countries this past summer and one can see the women's volleyball team is definitely on the move. And while the long-suffering Nick Timtsenko is satisfied over last years program, he is more interested in looking ahead to what appears to be a more promising future.

One of the main goals of this years squad will be to win the Quebec University Athletic Association championship. The female spikers are entering the Q.U.A.A. after a three year absence.

Timtsenko and Ants Toke have several outstanding players returning from last years team. Leading the list is Most Valuable Player, Louise Forget; Joanne Crevier, Jennifer Weightman, Lise Corriveau last season's Most Improved Player, Catherine Carter and Dorothy Kowalewska.

## STINGER HOCKEY

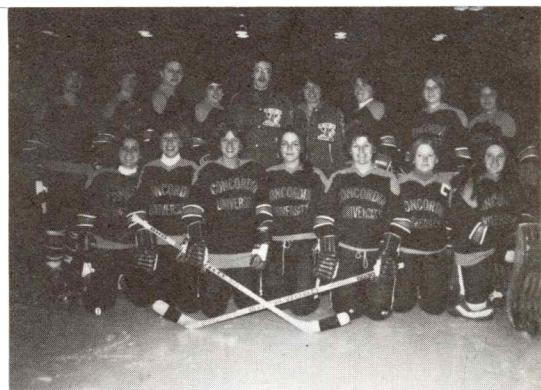

**The Women's Varsity Hockey Team** is entering the 1979-80 season geared on reversing last year's playoff defeat at the hands of the McGill Martlets. The young skaters finished a strong second in the Montreal Women's Hockey League and held their own against strong teams from Ontario and Eastern United States. However, the Stingers won the first game in the semi-finals of the M.W.H.L. only to be upended by McGill in the next two games, losing the third game in overtime.

Last season was a rebuilding year for the lady skaters with only three graduating players on the squad. With 10 returning veterans this year, the Stingers will be attempting to end John Abbott's string of three consecutive league championships.

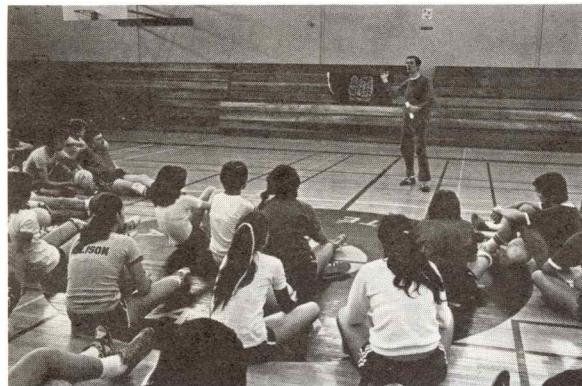

Julie Healy, the team's leading scorer, selected as the team's Most Valuable Player, as well as the University's "Freshman Athlete of the Year", leads an impressive list of returning players. Others include Laurie McKeown, Diana Shannon, Donna Paquette, Charlen Berry, Janet Werk, Dorrie and Sandy Mosel, Denise Bienvenue and Francine Daoust. Dorrie Mosel was voted last year's Most Improved Player, while Donna Paquette received the Brodrick Award as the team's Most Inspirational Player.

The Stingers will begin practice in the first week of October with exhibition games beginning in late October. Concordia will also participate in the York Invitational Tournament and the Cornell Tournament. Both tournaments will provide the Stingers with excellent competition that should prepare them for league playoffs.

The highlight of this year's schedule will again be the Concordia Invitational Women's Hockey Tournament which will be held January 25th and 26th. In last year's tourney New Hampshire downed Minnesota to win the tourney, while McMaster overcame Concordia to capture third place.

## JUNIOR OLYMPICS COME TO CONCORDIA

Concordia University's Athletic Department in conjunction with the Royal Bank and the Canadian Olympic Association, ran clinics for high school girls in volleyball and basketball last season. Over 180 girls profited from the lectures and drills as taught by some of Montreal's finest coaches and demonstrated by members of the Concordia women's teams. The Stingers would like to thank Mr. James Little, the Royal Bank Junior Olympic Program and the Canadian Olympic Association for their efforts to upgrade amateur sport throughout Canada. Concordia, hopefully, will be able to continue and expand on the Junior Olympic Clinics in years to come.

## STINGER BASKETBALL

**The Concordia Women Cagers** enter the 1979-80 season with careful optimism. The Stingers will be an experienced team that should improve on last year's 14-13 record. However, both defending league champions Bishop's University and McGill University will be improved this season.

Co-captains Gay Owens and Linda Macpherson head a list of eight returning veterans from last year's second place squad. And head coach Mike Hickey is hopeful that Owens and Macpherson will provide the leadership that will enable Concordia to regain the QUAA Championship.

Macpherson, Concordia's Female Athlete of the Year, was a first team league All-Star, as she averaged 1.36 points a game and quarterbacked the team's offense. This year coach Hickey is expecting Macpherson to concentrate more on her shooting and defense. Owens, who experienced an "off-year" last season, appears ready to return to the form that earned her a first team All-Star two years ago and a Junior National Team berth in 1976.

Other returnees include "super rookies" Roseanne Darwent (team MIP) and Bucky Bourque, and veterans Joyce Tarbet, Helen Malacrida, Barb McGuiness and Inger Breida. Breida, the team's top outside shooter is expected to supply a lot of offensive power for the 1979-80 Stingers.

If we hadn't just won the gold medal for the 6th straight year we wouldn't have been able to run this ad again.

6  
5  
4 When a whisky wins  
international gold medals in a row,  
it's got to have  
more going for it than luck.

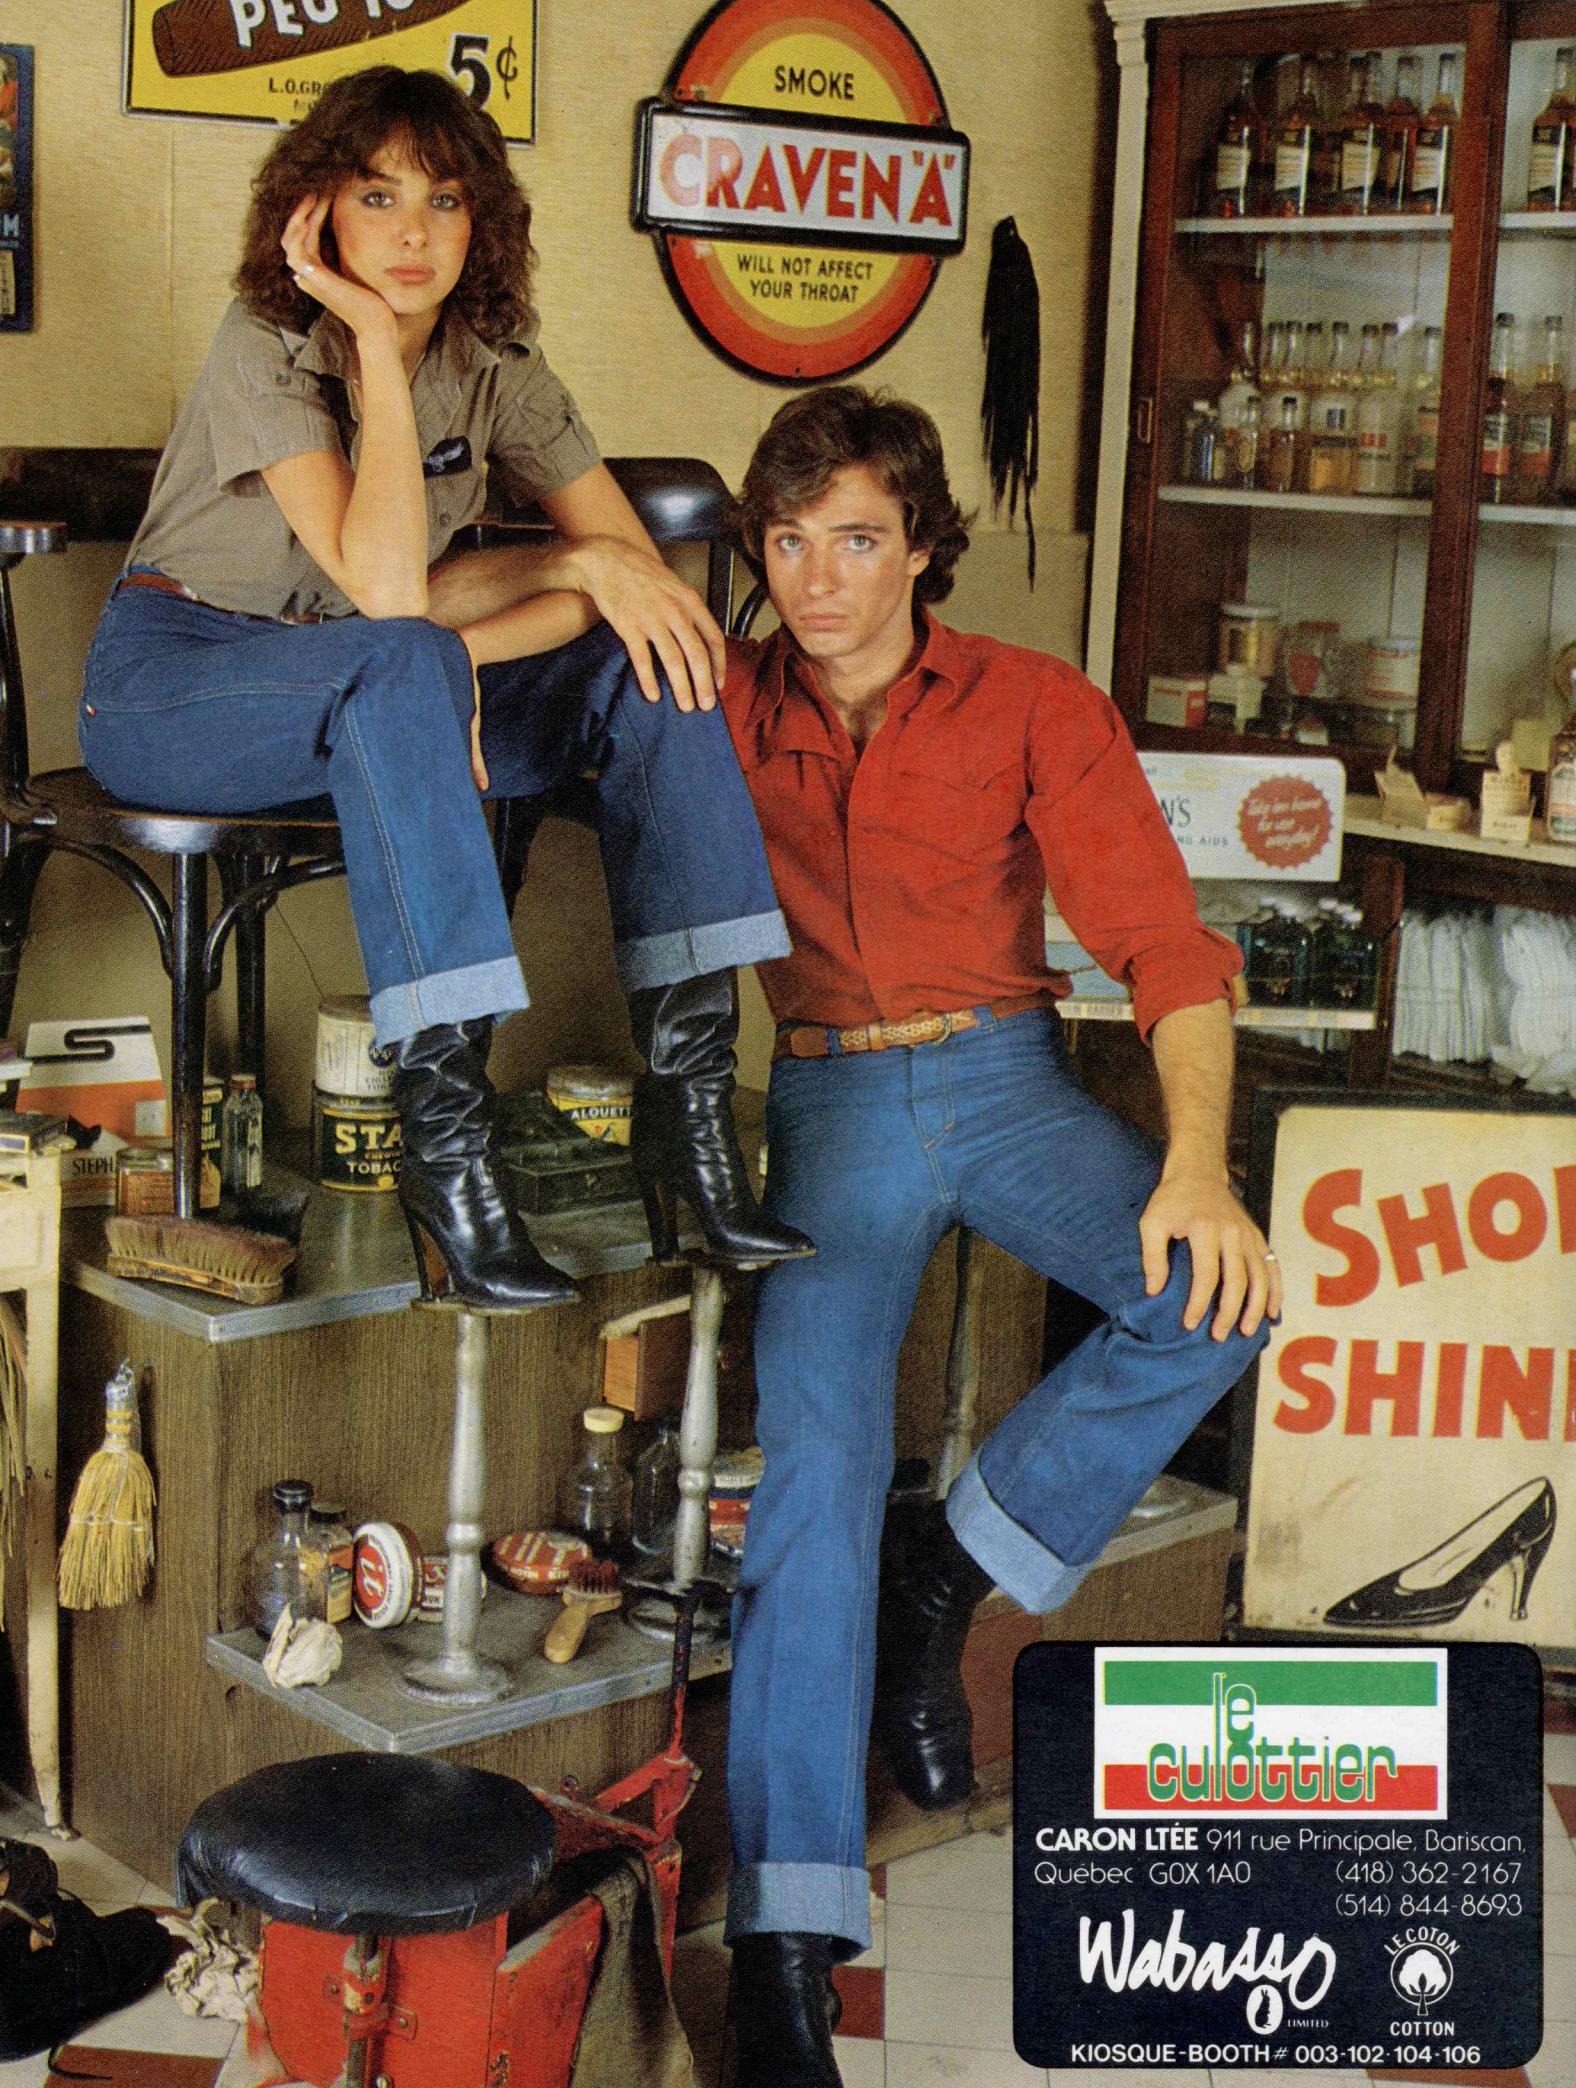

And our ad agency  
really likes this ad.  
They think it should  
also win an award.  
They say that it  
takes just as much  
talent to turn out  
a prize winning ad  
as it does to make  
a prize winning  
whisky.

But frankly we'd rather have  
our vat taster make our ad, than  
have our ad people make our whisky.
